WORK EXPERIENCE

Game Tech Studio PVT (LTD.) 2022 - 2023

I've 1+ years of working experience in game tech studio. There I used to develop game of different genera's ranging from hyper casual RPG, transformation and simulation games.
It was my career startup and found a lot of learning opportunities of different categories like asset management, detail study about textures and materials and optimized approach to develop gameplay mechanics.

PROJECTS

Yellow Rope Hero Crime City
